Student Poster Proposal Worksheet

Please note: This document is to be used to prepare your submission data only. All submissions must be entered in the online submission portal: https://ww6.aievolution.com/aih2501/.

Student Posters displayed at AIHA Connect enable students to gain visibility for their research. Students make connections with professionals in the field and gain recognition for their education institutions. Student poster submissions are accepted with a review timeline that reflects university schedules. The deadline for student poster submissions for AIHA Connect 2025 is March 12, 2025.

PLEASE NOTE: The TOTAL limit for your submission (Title, Description, Situation/Problem, Methods, and Results/Conclusions) is 3,500 characters (including spaces).

*Title
The title should be clear and concise. (Suggested length: up to 7 words) *If selected, the title you provide will be used in the online session listing and program and may be edited for marketing purposes.

*Presenter
Click below to add the primary presenter. Student posters require one person to attend conference and speak with attendees on the research during designated poster session author attend times. This person will be the main point of contact for all information leading up to and during the conference. You will add your co-authors under the Additional Details tab. Co-authors are not required to attend the conference and will not be considered a point of contact for the poster but are listed for professional courtesy only.

*Description
Please enter a brief description to pique the interest of AIHA Connect attendees. *If selected, the description you provide will be used in the online session listing and may be edited for marketing purposes.

*Situation/Problem
Provide a clear statement of the problem or research question you investigated.

*Methods
Discuss the methods, procedures, and testing tools used to investigate your research question. Be sure to include sample size, analytical method, equipment, and statistical analysis (as pertinent to the study). Be sure the equipment and methods are identified and explained (e.g., noise monitors: thresholds). Include manipulations, correlations or comparisons of interest, and the strengths and limitations of the methodology.

*Results / Conclusions
Results: Discuss and analyze your research results. Explain outcomes or findings in accessible terms.

Conclusions: Explain the implications and relevance of your findings, with consideration for longer-term impact. Conclusions should be framed as take-away lessons.

*Topics
Please select one primary topic area (required) and up to two secondary topics (optional). This information will be used to place sessions into appropriate tracks, for scheduling purposes and marketing.
Complete topic list can be found here: https://aiha-assets.sfo2.digitaloceanspaces.com/AIHA/aihaconnect/2025-Topics.pdf

**Primary Topic** *(Choose 1)* **Secondary Topics** *(Choose Up To 2)*

**Co-Authors**

*Please add your co-authors below, using the following format: First Initial. Last Name, Company/Organization, City, State/Province, Country (ex., J. Doe, AIHA, Falls Church, VA, USA).

(Co-authors are listed for professional courtesy and will not be communicated with regarding the decision notification or any on-site logistics, if accepted. Only the primary presenter listed is expected to attend and present the content on-site).

*If there are no co-authors, please enter “none” in the box below.*

**Targeted Industry**

Please select one organization type and one targeted industry from the listings below. Your selection(s) will help attendees as they search for presentation content.

**Organization Type** *(choose 1)*

1. * Which organizational category best describes your intended audience?
   - Academia/Education
   - Corporation/Company
   - Consulting
   - Government/Military

**Primary Industry** *(choose up to three)*

2. * Select up to three industries that may best benefit from your presentation?
   - Aerospace
   - Agriculture, Forestry, & Fishing
   - Construction
   - Engineering
   - Entertainment
   - Health Care/Pharma
   - Insurance
   - Laboratories
   - Manufacturing
   - Mining
   - Office Environment
   - Oil & Gas
   - Public Utilities
   - Services
   - Transportation
   - Wholesale & Retail
All Industries

3. * Which type of session is your submission?
   - Research related
   - Practical application

Volunteer Groups
For a full listing of applicable groups, please visit: https://www.aiha.org/get-involved/volunteer-groups
* Was this session organized by an AIHA Technical Committee, Special Interest Group, Working Group, Advisory Group or other AIHA project Team?  Yes  No

*Acknowledgements and References
* List any additional people who worked on the project or provided guidance and support along with details on the role they played in the research, using the following format: First Initial. Last Name, Company/Organization, City, State/Province, Country (ex., J. Doe, AIHA, Falls Church, VA, USA.).
If there are no further acknowledgements, please enter “none” in the box below.

*Practical Application
* - indicates a required item.
*How will this help advance the science of IH/OEHS?

*Presentation History
*Have you presented this information before?
   - Yes  - No
If yes,
*Please Check All That Apply
2024 -- Columbus, OH
2023 – Phoenix, AZ
2022 – Nashville, TN
2021 - Virtual (Dallas, TX)
2020 - Virtual (Atlanta, GA)
2019 - Minneapolis, MN
2018 - Philadelphia, PA
2017 - Seattle, WA
2016 - Baltimore, MD
2015 - Salt Lake City, UT
2014 - San Antonio, TX
2013 - Montreal, QC, Canada
2012 - Indianapolis, IN
AIHces prior to 2012
☐ Another conference: (please list conference name and year)

*Student Poster Agreement
Please read the following and check the acknowledgement at the bottom.
- All proposals must be submitted electronically via this online form.
- Proposals left in draft form at the time of the submission deadline will NOT be considered.
- By submitting this proposal, you agree that if it is selected, you will create a poster for presentation and display at AIHA Connect that conforms to all guidelines.
- All student poster session speakers are required to register for AIHA Connect and are responsible for the arrangements and fees associated with their own registration, transportation, hotel lodging, meals, and any incidentals as well as any design, printing, display, or shipment costs for the poster.
- Submitters will be notified of decisions via email in April 2025.
*I have read and agree with these guidelines.

☐ Yes
