AIHA’s annual conference is focused on the important trends and research that impact worker health. Leading industry suppliers are an integral part of the experience, contributing new technologies, training, and CONNECTIONs that make OEHS professionals more efficient in their pursuit of keeping our workplaces healthy and safe.

AIHA CONNECT is the premier destination for thousands of occupational health and safety scientists, industrial hygienists, OEHS specialists, safety professionals, risk management professionals, consultants, and others responsible for safety, health, and the environment.

Why Exhibit at AIHA CONNECT?*

- Increase visibility and brand recognition
  Over 4,000 OEHS professionals attend AIHA CONNECT

- CONNECT with buyers
  78% of AIHA CONNECT attendees research, influence, or approve purchasing decisions for their companies

- Accelerate the buying process
  7,698 leads were generated at AIHA CONNECT

- Reach an international audience
  Representatives from 34 countries attended AIHA CONNECT

- Stand out from your competitors
  Take advantage of the opportunity to prove why your products/services are the better choice

- Meet your customers where they are
  24% of attendees attend virtually, expanding your reach beyond the show floor

**Top three reasons OEHS professionals attend:**
- Learn and Earn Contact Hours
- Expand Network and CONNECT
- Discover What is New and Next

What attendees – your customers – are saying about the Expo...

“I think the Expo is more inviting and more desirable a place to hang out than ever before.”

“I got some good ideas from other companies’ programs and made a lot of contact with vendors for helpful technology.”

“The opportunity for networking and discussion with the various vendors on the technology and application of their products is what I really enjoy.”
