A network diagram consisting of numerous light blue and green circular nodes connected by thin white lines, set against a dark blue background with a green-to-blue gradient. The nodes are scattered across the frame, with a higher density in the upper left and lower left areas.

# Virtual AIHce EXP 2020

How to: Navigate the Online Classroom

Thanks for registering for Virtual AIHce EXP 2020! We're looking forward to the event and hope you are too.

If this is your first time with us, this quick tutorial will cover how to navigate the online classroom to make sure you're all set for the program.

We are using the same platform we've used for previous Virtual AIHce events, so some of you may be familiar with this.

Let's get started!

Once you're logged in, you'll see a couple areas – the important ones to note are "My Classroom" and the "Support" link on the top and bottom left side of each page.

You'll likely be spending most of your time in the Classroom, so let's click there first.

The screenshot shows the AIHA website's account profile page. The top navigation bar includes links for Catalyst, Find Consultants, Job Board, Member Center, Marketplace, About AIHA, Membership, Get Involved, AIHA University, Events, and Careers. A secondary navigation bar contains Home, My Classroom (highlighted with a red box), My Credit, Support, and Logout. The main content area is titled "ACCOUNT PROFILE" and features three sections: "Streaming Classroom" with a "Click Here to Proceed to Your Classroom" button (highlighted with a red box), "Manage Credit" with a "Click Here to Submit CE or to Retrieve Completion Certificates" button, and "My Subscriptions" with a "Browse Programs" button. A footer contains an "Email Support!" link.

Your Classroom is where you will see all the Virtual AIHce EXP 2020 sessions listed. When it's time for a session, click the session title.

The screenshot shows the AIHA Classroom website interface. At the top, there is a navigation bar with the AIHA logo and various menu items: About AIHA, Membership, Get Involved, AIHA University, Events, Careers, and Public Resources. Below this is a secondary navigation bar with Home, My Classroom, My Credit, Support, and Logout. The main content area is titled "WELCOME TO YOUR AIHA CLASSROOM!" and includes a message: "You have successfully completed your registration for the following online content through AIHA." Below this is a "CLASSROOM SEARCH" section with a search box and a magnifying glass icon. The search box contains the text "Search the classroom" and a prompt "Type your keywords into the box above to search". Below the search section is a "UPCOMING LIVE PROGRAMS" section. A red arrow points to the first program listed: "Virtual AIHce EXP 2020: Opening General Session: Harnessing the Power of Courage". The other programs listed are "Virtual AIHce EXP 2020: A5: Sampling and Analytical Challenges in Meeting Ever Lower OELs for Metals and Metalloids", "Virtual AIHce EXP 2020: A10: Safety's Competitive Advantage and the Future of the Safety, Health, and Environmental Profession", and "Virtual AIHce EXP 2020: A6: Risks to Occupational Safety and Health at 5G Speeds". Each program listing includes the date and time in Eastern, Mountain, and Pacific time zones. At the bottom left, there is a blue button labeled "Email Support!".

**WELCOME TO YOUR AIHA CLASSROOM!**

You have successfully completed your registration for the following online content through AIHA.

9:00 AM Central, 8:00 AM Mountain, 7:00 AM Pacific

Email Support!

Once the program is live, in the middle of this page you'll see a big Launch Live Webcast button. Click that to open the session player window...

The screenshot displays the AIHA Classroom interface. At the top, there is a navigation bar with the AIHA logo on the left and several menu items: Catalyst, Find Consultants, Job Board, Member Center, Marketplace, and Your Account. Below this is a secondary navigation bar with About AIHA, Membership, Get Involved, AIHA University, Events, Careers, and Public Resources. A third navigation bar contains Home, My Classroom, My Credit, Support, and Logout. The main content area is titled "WELCOME TO YOUR AIHA CLASSROOM!" and features three expandable sections: "Webinar Information", "Information", and "Download Handouts". The "Webinar Information" section lists the presenter as the American Industrial Hygiene Association, the title as "Virtual AIHce EXP 2020: Opening General Session: Harnessing the Power of Courage", the date and time as June 01, 2020 8:00 AM Eastern (with time zone conversions for Central, Mountain, and Pacific), and an expected duration of 1 hour and 10 minutes. The "Information" section states that the webinar has not yet opened and provides a link to login instructions, accompanied by a prominent blue "Launch Live Program" button. The "Download Handouts" section notes that handouts will be listed if available and provides a link to Adobe Acrobat Reader. At the bottom left, there is an "Email Support!" button, and at the bottom right, a "What Will I Need To Attend?" button.

What Will I Need To Attend?

We have two different styles of sessions in this Virtual Conference, so you will see two different types of layouts throughout the event.

For live webinar style sessions, you'll see on the left side of the screen there is an audio box on top, and the box below has announcements, public chat, and Q&A. Chat with your colleagues in the chat and submit questions to presenters in the Q&A area.

The right side of the screen has the presentation slides, the submit credit area, a link to the virtual portal, and a link to view the help page. When the session is over, you will go to submit credit to provide your evaluation and get your AIHA transcript updated.

Also note at the bottom of the page, there is a Need Help Chat pod where you can connect with technical support.

For rebroadcast-style sessions, you'll see the left side of the screen has announcements, public chat. While the presentation plays, presenters and AIHA staff will be in the chat, so reach out if you have questions or something to discuss with the group!

The right side of the screen has the presentation video, the submit credit area, a link to the virtual portal, and a link to view the help page.

Also note at the bottom of the page, there is a Need Help Chat pod where you can connect with technical support.

The screenshot displays the AIHA virtual session interface. At the top left is the AIHA logo with the tagline "Protecting Worker Health". At the top right is the freestone logo with "by communitybrands" below it. The interface is split into two main sections. The left section is a chat window with tabs for "Announcements" and "Public Chat". The chat area is empty, displaying "There are no messages to show." At the bottom of the chat window, there is a text input field with a note: "Note: This chat is not monitored by Support." and a "Send" button. Below the chat window is a "Need Help?" button with an envelope icon. The right section is a video player with tabs for "Video", "Submit Credit", "Virtual Portal", and "Help". The video content shows a presenter in a small window at the top left of the video frame. The main video content is a presentation slide with a dark blue background and a network diagram of white dots and lines. The slide text reads: "Session E3: Moisture Intrusions, Risk, and Industrial Hygiene in Modular Construction" in large white font. Below this, in smaller yellow font, it says "Did My LEGO Get Wet?". In the bottom right corner of the slide, the "AIHce EXP2020" logo is visible.

A network diagram consisting of numerous light blue circular nodes connected by thin, light blue lines, set against a dark blue background with a green-to-blue gradient. The nodes are scattered across the left and top-left portions of the frame.

# Thank You!

That covers the online classroom navigation.
