Updated Statement to Laboratories Accredited by AIHA LAP

With the COVID-19 pandemic still underway, I wanted to again inform you that AIHA Laboratory Accreditation Programs has cancelled most on-site assessments and will perform only remote assessments until further notice. We are taking this action to ensure the safety and well-being of our Site Assessors and your laboratory staff.

To help our laboratories understand what to expect and how to plan for remote assessments, you can find a Frequently Ask Questions [document](#) and a [video](#) on remote assessments on the new COVID-19 page of our website at:

<https://www.aihaaccreditedlabs.org/covid19-labs>

We will continue to monitor the COVID-19 situation and convey any updated information from the CDC and/or our contingency plans for assessments as needed.

Please contact AIHA LAP staff if you have any questions or need more information about your upcoming site assessment or the remote assessment process. While our Team continues to telecommute, we are always available to assist you in any way.

Sincerely,

A handwritten signature in black ink that reads "Cheryl O. Morton". The signature is written in a cursive, flowing style.

Cheryl O. Morton
Managing Director
