By signing this document, I agree that:

I have read the **definitions and guidelines** provided to me by AIHA in the Copyright Guidance Document. I represent and warrant that my presentation and any related materials **do not infringe on any copyrights** or intellectual property rights held by others.

I further represent and warrant all of the following:

☐ I understand that **fair use does not apply** to any content that I provide to AIHA, and I am therefore required to follow the law as it relates to copyright.

☐ For copyrighted content, I have **obtained appropriate permission** from the original copyright holder to **use and distribute** the materials.

    o These permissions also **grant AIHA the right** to use, distribute, and resell the content in perpetuity.

    o I have **written documentation** of any permissions I obtained for copyrighted materials and shared this documentation with AIHA.

☐ I have **provided citations and a resources page** for all materials, and all materials have been cited in the way defined in the citations section of the Copyright Guidance Document.

☐ For any content I have used under a **Creative Commons license** or that is in the **public domain**, I have cited the content appropriately where it appears.

☐ For **my own materials**, I can provide **proof of my copyright,** and...

    o If I am submitting content for a **publication**, I have signed the provided documentation in order to **transfer the copyright** of this material to AIHA.

    OR

    o If I am submitting content for a **presentation, professional development course (PDC), or webinar**, I **retain the rights** to my materials, but I irrevocably **grant AIHA permission** to use, distribute, and resell the content in perpetuity.

☐ For **presentations**, I have provided a *full list* of **all content** I intend to show or share during my presentation. This includes any content in my PowerPoint slides, handouts, or other resources. **I will not add to this list after submission** without informing AIHA of any potential changes.
