COMMIT TO C.A.R.E.

Journey to Create Awareness and Affect Behavior About COVID-19 & The Built Space

AIHA Membership Townhall presented by:
Lawrence D. Sloan, FASAE, CAE; Chief Executive Officer, AIHA
Kenneth Martinez, CIH; Chief Science Officer, IBEC
March 11, 2022
Join us as we commit to CARE.

Partnership: AIHA and IBEC

AIHA is the association for scientists and professionals committed to preserving and ensuring occupational and environmental health and safety (OEHS) in the workplace and community.

The Integrated Bioscience and Built Environment Consortium bridges the gap between science and real-world application so people can feel safe gathering together again in indoor spaces.

Commit 2 Care Background

Community. Awareness. Responsibility. Equity

Commit to C.A.R.E. is a public awareness campaign with a mission to level the playing field of understanding of COVID-19 environmental strategies:

- Debunk myths about the spread of the COVID-19 virus.
- Make the complexities of the science easier to understand through various engaging multimedia tools.
- Encourage businesses to pledge their commitment to C.A.R.E. for the health and well-being of their employees, clients, and customers.

Lessons by Audience

**Employers**
For those who run any business and are responsible to keep their employees safe and healthy.

**Employees**
For those workers looking to join thousands of companies from around the world who have committed to staying healthy and safe at work?

**General Public/Media**
For the concerned citizen, a solopreneur, or part of the media and want to pledge to Commit to C.A.R.E.
JOIN US AS WE COMMIT TO

Let’s protect ourselves and each other. **Together.**

Commit to C.A.R.E includes the following trainings and tools to help organizations protect themselves and their communities:

**1. Determine Your Risk**

- Video Training: How to Understand and Assess Your Risk
- Interactive Risk Assessment Tool (web-based)
2. Implement Workforce Training

- Video Training: How to Determine If Your Worker is High or Low Risk?
- Video Training: How to Understand and Assess Your Risk
- Video Training: Why Masks Work
- Video Training: How To Properly Store and Wear a Mask
- Video Training: Why Respirators Work
- Video Training: How To Properly Store and Wear a Respirators
- Video Training: What Ventilation Means for Your Risk of Exposure
JOIN US AS WE COMMIT TO CARE

3. Assess and Improve Your Building’s Ventilation

- Video Training: What is Ventilation and Why Is it Important to Reduce the Risk of Transmission?
- HVAC Optimization Checklist (web-based)
- Personal HEPA Air Filter Checklist (web-based)
4. Print and Post Supporting Workforce Materials

- Proper Mask Fit Poster
- Proper Respirator Fit Poster
- Remember the 4 Ds Risk Assessment
- Ventilation Tips Poster
5. Print and Post Supporting Customer Materials

- Wearing Masks Educational Posters
6. Determine if You Need an Occupational Health and Environmental Safety Professional

Video Training: What’s an Occupational and Environmental Health and Safety Professional?

Online AIHA's Consultants Directory

7. How to Find an Occupational Health Environmental Safety Professional

Video Training: How to Find an Occupational and Environmental Health and Safety Professional?
8. Develop a Vaccination Policy

Vaccination Policy FAQs Answered.

9. Develop a Testing Policy

Testing Policy FAQs Answered.
