

AIHA Standards Advisory Panel

Annual Report for Representatives and Alternates

Calendar Year:

AIHA Representative/Alternate Name

AIHA Representative/Alternate Email

Consensus Standard/Committee

Total Annual Budget for committee participation
approved by AIHA

Amount of annual budget spent to date

List of standards within the jurisdiction of the (sub)committee:

- Please list number and title of each standard; date of most recent revision; and next expected date for review and/or revision.
- If the (sub)committee has numerous standards, a link to the list may be provided instead.
- Update this list when standards are added, expired, or when revision dates change.

Committee Activities Being Reported:

- List meetings attended
- For each Standard actively discussed, include Standard number, activity date, and activity description (e.g., in-person or online meeting, vote/canvass, approval of new/revised standard, re-affirmation of existing standard without changes)

AIHA Standards Advisory Panel - Annual Report of Committee Activities (cont.)

Committee activities being reported (continued from page 1)

AIHA Standards Advisory Panel - Annual Report of Committee Activities (cont.)

Summarize (for the whole year) the progress made by the committee and the outcomes/ results of the activities listed in the previous question, and how they might affect AIHA or its membership. Include any available information on meetings planned in the next year and standards to be discussed, developed, or updated:

AIHA Standards Advisory Panel - Annual Report of Committee Activities (cont.)

Were there any disagreements or controversies between the committee's activities and AIHA's interests or position statements?
