Endowment Policy

A named scholarship may be endowed for a minimum contribution of \$25,000 payable over no more than 5 years from the time of the first donation. The name of the scholarship (in honor of, in memory of, etc.) will be identified by the lead donor(s) or champion(s) of the scholarship pending the approval of the Board of American Industrial Hygiene Foundation. Should the named scholarship not be fully funded within 5 years of the first donation, those funds will be placed into the general restricted endowment fund of the AIHF.

Endowed funds are permanently restricted. Only the interest earned on the fully funded endowment will be used to award a scholarship.
