Address of the Contact Person for the Prospective Student Local Section

Dear _____:

On behalf of the _____ Section of AIHA, it gives me great pleasure to endorse the efforts of you and your fellow _____ College/University students in the formation of a student local section of AIHA. We are pleased to inform you that the _____ Section of AIHA will be most willing to serve as your sponsoring local section. Our Executive Committee has approved your draft bylaws and is returning them for signature to your incoming President and your Faculty Adviser. Once this sign-off has been completed, please return a copy for our records and forward a copy to Thursa La at national AIHA in Fairfax, Virginia.

We look forward to working with you in the organization of your student section and would welcome the opportunity to send a section officer or representative to speak at one of your organization/member recruitment meetings or regularly scheduled meetings. Many _____ College/University students have been active supporters of the _____ Section, and I consider it an honor that you and your fellow students are pursuing section formation during my presidency.

Sincerely,

President, _____ Section AIHA
