

# THE VALUE OF THE Certified Professional Product Steward™ Credential

Earning the CPPS™, administered by the Board for Global EHS Credentialing (BGC), demonstrates your knowledge and expertise essential to the best practice of product stewardship. Maintaining the credential displays a commitment to continually enhance your expertise.

The first credential of its kind for product stewards, the CPPS™ provides value for individuals, businesses, and consumers alike.

## Professionals

- Validate your expertise in product stewardship
- Enhance your professional credibility
- Elevate your status in the profession
- Gain a competitive edge in the job market

## Consumers

- Trust in competence established by an objective third-party
- Identify a commitment to public safety and consumer protection
- Expect accountability through ethical conduct standards

## Employers

- Build a team of highly qualified professionals
- Keep your team up to date on best practices
- Reduce risk of errors and/or legal liability
- Strengthen your organization's reputation and brand

## Key Dates

Choose from two exam windows offered each year in the Spring and Fall.

**Spring Exam:** FEBRUARY 1 - MARCH 30  
Application Deadline: December 1

**Fall Exam:** AUGUST 1 - SEPTEMBER 30  
Application Deadline: June 1

## Resources

For questions regarding the CPPS™, the BGC is your go-to resource.

- **BGC Website:** [ehscredentialing.org/cpps-main](https://ehscredentialing.org/cpps-main)
- **Handbook:** [ehscredentialing.org/cpps\\_documents](https://ehscredentialing.org/cpps_documents)
- **Questions:** [applications@EHSCredentialing.org](mailto:applications@EHSCredentialing.org)

The Product Stewardship Society offers study and reference materials to help you prepare for the exam at: [productstewards.org/PPPS-study-resources](https://productstewards.org/PPPS-study-resources).
