AIHA Congratulates Wayne D. Palmer on his Assistant Secretary of Labor for Mine Safety and Health Administration Confirmation

Dear Assistant Secretary Palmer:

The American Industrial Hygiene Association congratulates you on your confirmation as Assistant Secretary of Labor for the Mine Safety and Health Administration (MSHA). Your experience – including prior leadership roles within MSHA, working at the Essential Minerals Association, and serving as an advisor to the Department of Commerce and the Department of Labor – will serve you well in this new role.

AIHA stands ready to assist the agency in its efforts to protect miners' health and safety through enforcement, compliance, outreach, and innovation.

We look forward to scheduling a time to discuss our shared priorities.

Sincerely,

Lawrence D. Sloan, MBA, CAE, FASAE
Chief Executive Officer
AIHA

About AIHA

AIHA is the association for scientists and professionals committed to preserving and ensuring occupational and environmental health and safety in the workplace and community. Founded in 1939, we support our members with our expertise, networks, comprehensive education programs, and other products and services that help them maintain the highest professional and competency standards. AIHA serves as a resource for those employed across the public and private sectors as well as to the communities in which they work. For more information, please visit www.aiha.org.
