**AIHA Congratulates David Keeling on his Assistant Secretary of Labor for Occupational Safety and Health Administration Confirmation**

Dear Assistant Secretary Keeling:

The American Industrial Hygiene Association (AIHA) congratulates you on your confirmation as Assistant Secretary of Labor for the Occupational Safety and Health Administration (OSHA). Your support for revising OSHA's emergency response standard to address the needs of volunteer fire departments, your recognition of the challenges created by staffing reductions at NIOSH, and your extensive experience—including serving as Amazon's Director of Global Road and Transportation Safety and as UPS's Vice President of Global Health and Safety—will serve you well in this new role.

As the administration advances its approach to worker health and safety, AIHA stands ready to assist you in protecting workers and the communities they serve nationwide.

We look forward to scheduling a time to discuss our shared priorities.

Sincerely,

**Lawrence D. Sloan, MBA, CAE, FASAE**
