New Business/Open discussion

UofA Larry Sloan

Mr. Lemanski, Gabe: Gabe has been announcing and promoting event, with good reception from students (15-20 indicating interest). Event address is University of Arizona, Drachman Hall room A118, 1295 N Martin Ave, Tucson, AZ 85724. Food for 50 should be sufficient, and room has a table and room for the section to set up.

For mixer afterwards, 1702 needs to be contacted. Gabe will speak with 1702 to confirm reservation of a back room.

2019 Safety Summit

Mr. Lemanski: The event should generate \$4-\$5k for each organization. Thanks to sponsors and presenters. The doors open at 6:30am, which is when we will need help setting up (Mr. Gherman and Baldwin indicated they can be there to help).

Spring PDC

Ms. Collins, Mr. Baldwin, Mr. Lemanski, Ms. Shindel: continuing education is a big part of what the section provides. When webinars are posted online, few members take advantage. We need to find a way to include webinars in our meeting rotation. Half-day PDC in the spring, another half-day in summer, and full PDC in the fall. For spring this year, perhaps a single webinar in May before the national conference. Scratch the April PDC idea.

Mr. Gladhart will contact Julia Rosen to coordinate a joint-webinar location at UA and Phoenix. Scheduled possibly during the same time as the national conference (May 22nd). 10:00-11:00am Webinar, 11:00-12:00pm Lunch, 12:00-1:00pm Webinar, depending on length of webinar. Phoenix location will be SRP corporate office.
