AGENDA

AIHA LOCAL SECTION – ARKANSAS

Friday, 24 AUG 2018, 11:30 - 1:00
American Pie Restaurant (back room)
9709 Maumelle Blvd, North Little Rock

1. Introductions. Order Lunch.

2. Review of past meeting content.

3. Review of current membership and officers. We have a president elect (Laura Weems) and treasurer (Dan Christensen) but need to solidify the VP and Secretary.

4. Review of budget.

5. Discussion of what we want the local chapter to be or to do for us (e.g., is it for networking, education, training, opportunities for field trips (technical tours, conference development, document/literature development, outreach to students or other potential future IHs, etc.).

So far we have input from two members: 1. Have another conference. That makes the trip to Little Rock from NW Arkansas worthwhile. 2. Have longer meetings where we have lunch and 2-3 hours of education/training to earn CEUs.

6. Discussion of by-laws/charter (The AIHA Local Section Charter, 2017 is enclosed as are their model bylaws for us. I also included our bylaws approved a few years ago) and possible need for a business plan. Please bring your own copy of attachments if you like to the meeting.

7. Discussion of meeting location(s), dates/frequency, and duration.

8. Open Discussion.

9. Wrap up and set date/time for next meeting.
