

Join us for the AIHA Chicago Local Section's May Social Event being held in the private mezzanine at Smylie Brothers Brewing Co. in Evanston!

In an open floor format, audience members will be encouraged to share their real life IH case studies. All of the data - players, circumstances, and timelines, is shared, but not the outcomes. At the end of the session, the facilitator explains what actually occurred. Inspired by the sold out workshop featured at AIHce. As always, come prepared to share some drinks with your fellow colleagues.
