

# Virtual PDC

## Returning to Work During the COVID-19 Pandemic

*Wednesday, October 21, 2020*

---

As more workplaces attempt to transition back to "normal", many challenges lie ahead. This PDC will discuss insights from an occupational medicine perspective and information including:

- When is the right time to return to work?
- What controls have been implemented to reduce exposure?
- What kind of lessons have been learned from challenges so far?

### **Speaker:**

Jamie Stalker, MD

Chief Medical Officer

Argonne National Laboratory

Dr. Jamie Stalker has worked in the Health and Employee Wellness Division of Argonne National Laboratory since 2004. She has been serving in her current position of Chief Medical Officer since 2017. Jamie's principal responsibilities include leading a team of occupational medicine specialists and spearheading all workplace health initiatives.
