

## **[External E-Mail]**

Hello,

We are seeking experienced certified Industrial Hygienists to join our growing organization.

These are working from home opportunities and we have both fulltime / employee staff positions and hourly contract positions available.

These positions are optimal for Industrial Hygienists:

- Seeking additional income
- Professionals wanting to explore the consulting business
- Approaching retirement and seeking a flexible lifestyle
- Retirees who want to continue working on a limited & flexible schedule

### **Locations - Connecticut & Massachusetts States**

#### **Job Descriptions**

The Industrial Hygienists would be leading Industrial Hygiene projects in various industries including: Manufacturing, Government, Biotech, Food & Beverage, Petrochemical, & Transportation.

Would these opportunities be of an interest to you?

If not, would you know of people in your professional network who might have an interest?

#### **Working from Home Benefits**

- Create a better quality of life and work balance
- Secure and continued income
- Create & control your own work days and flexible schedules
- No lost time in daily office commuting

#### **Certified Industrial Hygienists**

HETI is seeking Certified Industrial Hygienists /Senior Project Managers to add to our expanding operations.

The **Certified Industrial Hygienists** will be responsible for providing environmental and industrial hygiene consulting services - including indoor air quality assessments, sampling and reporting and human health risk assessments - to a wide range of clients, particularly within the: Biotech, Food & Beverage, Petrochemical, & Transportation industries. Some travel to and from client/ project sites may be required.

**HETI** - Founded in 1986, is a full-service, nationwide consulting company.

**Please forward your resume to begin the discussions with HETI.**

Thank you for your time and consideration.

**Denis D'Arcy**  
Senior Consultant
