

A Tour of the National Institute for Occupational Safety and Health Website

Sudha P. Pandalai, MD, PhD, MS

Research Physician

NIOSH/Division of Science Integration/Risk Evaluation Branch

Cincinnati, Ohio, USA

American Industrial Hygiene Association – Ohio Valley Local Section

Cincinnati, Ohio, USA

August 22, 2023

The findings and conclusions in this report are those of the author and do not necessarily represent the official position of the Centers for Disease Control and Prevention

National Institute for Occupational Safety and Health

- Mandate:
 - To assure every man and woman in the Nation safe and healthful working conditions and to preserve our human resources.
- The [Occupational Safety and Health Act of 1970](#)
 - Established NIOSH as a research agency focused on the study of worker safety and health, and empowering employers and workers to create safe and healthy workplaces.
- NIOSH is part of the Centers for Disease Control and Prevention, in the Department of Health and Human Services.
 - It has more than 1,300 employees spread across the United States
 - Employees are from diverse fields (epidemiology, statistics, medicine, engineering, science [e.g., biology, physics], nursing, industrial hygiene, safety, health communications, and others).

NIOSH – History, Vision, and Mission

- Learn more about the history of NIOSH on the NIOSH [50th Anniversary](#) and [milestones in NIOSH history](#) web pages.
 - 2021 was the 50th anniversary of NIOSH
- ***Vision***
 - Safer, Healthier Workers
- ***Mission***
 - To develop new knowledge in the field of occupational safety and health and to transfer that knowledge into practice.

National Institute for Occupational Safety & Health | NIOSH | CDC

The screenshot shows the NIOSH website homepage. At the top, the CDC logo and name are displayed: "Centers for Disease Control and Prevention" and "CDC 24/7: Saving Lives, Protecting People™". To the right of the logo is a search bar with the text "Search" and a dropdown menu set to "NIOSH". A red oval highlights the search bar and dropdown menu. Below the search bar is a dark brown banner with the text "The National Institute for Occupational Safety and Health (NIOSH)". The main content area features a large image of a person working in a field, with a dark overlay on the right containing the text "Working in Heat" and "Prevent heat-related illnesses and injuries", along with a "Learn More" button. At the bottom right, the NIOSH logo is displayed with the tagline "Promoting productive workplaces through safety and health research". A "Print" link is visible in the bottom left corner.

Some additional thoughts...

- There is a significant amount of information on the NIOSH website
- Some time spent becoming familiar with the NIOSH website and search engine can be useful
- Please feel free to reach out for
 - Questions
 - Difficulty finding specific information on a topic
 - Interest in connecting with NIOSH researchers on a particular issue
- Another resource is CDC-Info at 1-800-CDC-INFO (232-4636)
- TTY: 1-888-232-6348
- www.cdc.gov
 - *Additional note - if there is a deadlink, please let CDC-Info know*

Thank you!
